Gimasport (Amateur Sports Association), under the sponsorship of the International Cyclist Union and the Italian Cyclist Federation, announces the organisation of the 10th edition of **Gimondibike** International mountain bike race on 26 September 2010. The event is included in the U.C.I. / F.C.I. international calendars.

TRAIL: only one trail of 38,6 km.

PARTICIPATION: the race is open to adults aged 18 onwards of both sexes, holders of registration card of the F.C.I. or the CONSULT BODIES, and a medical certificate for sports. It is also open to foreign cycling fans, with an age ranging between 18 and 65, who have a 2010 card issued by the federation of origin. Moreover, the Excursionist category includes cycling fans aged 18 to 65 of both sexes, provided with health certificate or a sports card issued upon presenting the health certificate itself. The cards and health certificates are to be valid and are to be presented in an original copy, or an authenticated copy or sent by fax. In all cases, the participants relieve Gimasport of all and any responsibility about their physical fitness to participate in the race. Moreover, they declare to be scrupulously and properly trained. The Organising Committee has the faculty to refuse undesired subscriptions.

DAILY CARD: participants who do not have an annual card from the F.C.I. or other Federation Consult Bodies, can undersign a daily F.C.I. 5,00 Euro card (which gives the participant the same multiple injury risk coverage, foreseen for the F.C.I. card holders, for one day from undersigning it). The card can be requested at the secretary office upon registration, or directly on Saturday, 25 September 2010. This card regularises the athlete's situation from the insurance point of view.
